

### 2014 OUTPOST ESTATE CABERNET SAUVIGNON

RELEASE DATE | January 2017  
100% Cabernet Sauvignon | 650 Cases  
20 months in 80% new French oak

95 PTS (RP) The 2014 Cabernet Sauvignon shows not a trace of oak and has wonderfully sweet blueberry and blackberry fruit in the nose, along with some licorice, incense, and charcoal embers. The color is opaque to the rim, and the wine full-bodied, with the blue fruits dominating on the palate. \$85

### 2014 OUTPOST TRUE VINEYARD IMMIGRANT

RELEASE DATE | January 2017  
44% Cabernet Sauvignon, 29% Cabernet Franc  
and 27% Merlot | 295 Cases  
20 months in 70% new French oak

96 PTS (RP) Absolutely spectacular..It has a deep, dense, opaque purple color and a glorious nose of spring flowers, forest floor, black raspberries, blueberries and lead pencil shaving as well as a touch of licorice. It is full-bodied and intense, but cuts a relatively elegant feel across the palate in spite of its profound intensity. This is a super-rich, strikingly intriguing and provocative wine to drink over the next 15-20 years. I loved it. \$95

### 2014 OUTPOST TRUE VINEYARD CABERNET SAUVIGNON

RELEASE DATE | January 2017  
100% Cabernet Sauvignon | 475 Cases  
20 months in 90% new French oak

100 PTS (RP) This is an amazing 2014 and one of the few perfect wines that I could find while tasting at the top addresses in Northern California. Blue/purple in color, with extraordinarily intense floral notes intermixed with blueberry, blackberry, crushed charcoal and camphor, the wine hits the palate with a spectacular display of glycerin, fruit, sweet tannin, adequate acidity, and wonderful equilibrium and purity. The finish was close to a minute. This wine is irresistible, although it is certainly capable of lasting three decades or more. \$125

### 2014 OUTPOST ZINFANDEL

RELEASE DATE | July 2016  
100% Zinfandel | 940 Cases  
16 months in 30% new French oak

93 PTS (RP) They make just under 1,000 cases of this wine, which offers up a dense ruby/purple color and a big, sweet kiss of licorice, barbecue smoke, charcoal, steak tartare, pepper and Provençal herbs. It is lush, ripe, generously endowed, full-bodied and a sexy beast. \$50

### 2015 OUTPOST GRENACHE

RELEASE DATE | July 2017  
100% Grenache | 325 Cases  
14 months in neutral French oak

92 PTS (RP) One hundred percent whole clusters were used, but there's no stemminess or vegetal characteristic to this wine, which offers up loads of black cherries, strawberry jam, lavender and earth. It is lush, full-bodied, sexy and seductive. This juicy, succulent style should be drunk in its first decade of life. \$50

### 2014 OUTPOST PETITE SIRAH "THE OTHER"

RELEASE DATE | July 2017  
100% Petite Sirah | 85 Cases  
18 months in 25% new French oak

92 PTS (RP) There are less than 100 cases, so I'll keep my notes relatively short. This is a stunning Petite Sirah, with an inky bluish purple color, loads of incense, blueberry and blackberry fruit. Drink it over the next 30 or more years. \$65
