## OUTPOST HOWELL MOUNTAIN "TRUE VINEYARD" CABERNET SAUVIGNON 2022

---

Ce cabernet sauvignon est entièrement issu de notre vignoble True Vineyard situé à 550 mètres d'altitude (1800 pieds). Les vins ne sont ni collés ni filtrés, ce qui permet d'exprimer pleinement le potentiel des millésimes.

### Notes de Dégustation

"Outpost's 2021 Cabernet Sauvignon True Vineyard features floral notes, crushed stone, cassis, blueberries and a hint of mocha as well. It's also full-bodied, rich and concentrated yet amazingly plush, silky and long on the finish. In a few words, it's complex yet harmonious, powerful yet elegant." - Joe Czerwinski, The Wine Advocate (RP), *100 Points*

"Another perfect wine from this team is the 2021 Cabernet Sauvignon True Vineyard, a 100% Cabernet Sauvignon from a site on Howell Mountain. Revealing a deep purple hue as well as incredible purity in its cassis, violets, graphite, and minty herb-like aromatics, this massive, full-bodied wine hits that palate with a dense, opulent mouthfeel, tones of velvety tannins, and impeccable overall balance." - Jeb Dunnuck, *100 Points*

### Le millésime

2021 is another extraordinary vintage for this region. Coming from a hot and incredibly dry season, the wines nevertheless retain a beautiful freshness and great purity, while being concentrated, rich and structured.
