From Robert Parker “The Wine Advocate”

There are 325 cases of the 100% whole-cluster 2013 Grenache. Even richer than the 2012, it is currently less aromatic simply because it is one year younger. Picked at 27-28 brix, it exhibits terrific richness along with tell-tale notes of kirsch liqueur, tobacco leaf, lavender, spice box and pepper. Full-bodied and opulent, it should turn out to be the finest Grenache ever made in Northern California. Drink now-2020.
